

## CURRICULUM VITAE

**NAME:** Armando E. Giuliano, MD, FACS, FRCSEd

**MAILING ADDRESS:** Cedars-Sinai Medical Center  
Saul and Joyce Brandman Breast Center  
310 N. San Vicente Boulevard  
Third Floor  
Los Angeles, CA 90048

### APPOINTMENTS

2/2013-present	Linda and Jim Lippman Chair in Surgical Oncology Cedars-Sinai Medical Center
1/2012-present	Professor of Surgery Cedars-Sinai Medical Center
7/2011-present	Executive Vice Chair of Surgery Department of Surgery Cedars-Sinai Medical Center
7/2011-present	Chief of Surgical Oncology Department of Surgery Cedars-Sinai Medical Center
7/2011-present	Associate Director Samuel Oschin Comprehensive Cancer Institute Cedars-Sinai Medical Center
7/2011-present	Co-Director, Saul and Joyce Brandman Breast Center – A Project of the Women’s Guild Cedars-Sinai Medical Center
7/2011-present	Director, Breast Oncology Fellowship Program Cedars-Sinai Medical Center
7/2012-present	Director, Complex Surgical Oncology Fellowship Program Cedars-Sinai Medical Center
1995-present	Clinical Professor of Surgery University of Southern California

1991-present	Clinical Professor of Surgery University of California, Los Angeles
7/2006-2011	Chief of Science and Medicine John Wayne Cancer Institute
1998-2011	Director John Wayne Cancer Institute Board of Directors
1994-2011	Director, Multidisciplinary Breast Fellowship Program John Wayne Cancer Institute
1993-6/2011	Director Margie Petersen Breast Center John Wayne Cancer Institute at Saint John's Health Center Santa Monica, California
1991-2011	Chief of Surgical Oncology John Wayne Cancer Institute Santa Monica, California
1990-1991	Professor of Surgery University of California, Los Angeles, California
1988-1991	Assistant Dean, Office of Student Affairs University of California, Los Angeles, California
1980-1991	Director, UCLA Breast Service University of California, Los Angeles, California
1984-1990	Associate Professor of Surgery University of California, Los Angeles, California
1981-1983	Acting Medical Director, John Wayne Cancer Clinic University of California, Los Angeles, California
1980-1984	Assistant Professor of Surgery University of California, Los Angeles, California

## **EDUCATION**

1969-1973	University of Chicago (M.D.)
1965-1969	Fordham University (B.A.)

## POSTDOCTORAL TRAINING

- |           |   |
|-----------|---|
| 1979-1980 | Chief Resident in Surgery<br>University of California, San Francisco, California                      |
| 1978-1979 | Senior Resident in Surgery<br>University of California, San Francisco, California                     |
| 1976-1978 | Fellow in Surgical Oncology and Tumor Immunology<br>University of California, Los Angeles, California |
| 1974-1976 | Resident II through III in Surgery<br>University of California, San Francisco, California             |
| 1973-1974 | Surgical Intern/Resident I<br>University of California, San Francisco, California                     |

## HONORS AND AWARDS

- |      |   |
|------|---|
| 2013 | Sao Paulo Society of Mastology Award in recognition of work establishing the sentinel node biopsy technique for breast cancer |
| 2013 | Distinguished Service Award, University of Chicago, Division of Biological Sciences   |
| 2011 | Susan G. Komen for the Cure® Brinker Award for Scientific Distinction in Clinical Research                                    |
| 2011 | Glenn-Robbins Award, New York Metropolitan Breast Cancer Group, New York, NY  |
| 2011 | Castle Connolly 2011 National Physician of the Year Award for Clinical Excellence   |
| 2010 | Compassionate Doctor certification<br>Vitals.com "Patients' Choice"   |
| 2009 | Honorary Member of the Brazilian Society of Surgical Oncology   |
| 2008 | Umberto Veronesi Award - international recognition of contributions to the field of breast cancer                             |
| 2005 | Fellowship <i>ad hominem</i> of the Royal College of Surgeons of Edinburgh  |

- 2004 Maurice D. and Lois Schwartz Humanitarian Award  
Center for Healthy Aging
- 2004 Outstanding Medical Advances in Breast Cancer - Sentinel  
Node Biopsy for Breast Cancer, 2004 National Breast  
Cancer Awareness Month (NBCAM) National Summit on  
Breast Cancer
- 2003 Honorary Diploma  
National University of Cordoba, Cordoba, Argentina
- 2002 Duke Award - Auxiliary Special Service Award, John Wayne  
Cancer Institute Auxiliary
- 2001 Classic Papers  
Journal of Clinical Oncology, 5(4):882-887, 2001
- 1998 The Best of the Best – 1997  
Archives of Surgery, 133:907-908, Aug 1998
- 1998 Outstanding Service Award  
Westside Women’s Health Center
- 1996 Pathbreaker Award, The National Alliance of Breast Cancer  
Organizations
- 1996 Three M. Tyler Award for Outstanding Service
- 1994 Hadassah Medical Organization Outstanding Lifetime  
Achievement Award in Oncology
- 1991 Outstanding Teaching Award  
UCLA School of Medicine
- 1991 Golden Scalpel Award for Teaching Excellence
- 1988 Golden Scalpel Award for Teaching Excellence
- 1987 Golden Scalpel Award for Teaching Excellence
- 1986 Golden Scalpel Award for Teaching Excellence
- 1983 Fellow, American College of Surgeons
- 1982 Golden Scalpel Award for Teaching Excellence

1979	San Francisco Surgical Society Resident's Award for Surgical Research
1978	The James Ewing Society Resident's Award for Cancer Research
1977-1978	Training Grant for Clinical Investigator in Surgery
1976-1977	National Research Service Award
1969-1973	The University of Chicago Academic Scholarship Chicago, Illinois
1969	Alpha Epsilon Delta Honor Society
1969	Gold Key - Fordham University
1965-1969	NYS Regents Scholarship and Gold Key Scholarship Fordham University, New York, New York

#### **HONORARY LECTURESHIPS AND VISITING PROFESSORSHIPS**

1. Inaugural Address: Management of Regional Lymph Nodes in Breast Cancer: Past, Present, and Future. Maryland Breast Cancer Consortium. Baltimore, Maryland. May 12, 2014.
2. Keynote Address: Lymphadenectomy for Breast Cancer: Past, Present, and Future. American Society of Breast Surgeons 15th Annual Meeting. Las Vegas, Nevada. April 30-May 4, 2014.
3. Lape Lecture: The Rise and Fall of Lymphadenectomy for Breast Cancer. Penn State Hershey. Hershey, Pennsylvania. April 17, 2014.
4. Keynote Lecture: Current Concepts in the Management of Breast Cancer. Breast Cancer Awareness, City of West Hollywood. West Hollywood, CA. October 24, 2013.
5. Inaugural Address: The Rise and Fall of Lymphadenectomy for Breast Cancer. Comprehensive Breast Diagnostic Center of Shaare Zedek Medical Center Breast Cancer Symposium. Jerusalem, Israel. July 21, 2013.
6. Donald L. Morton Surgical Oncology Lecture: Surgical Management of Early Breast Cancer in the Sentinel Lymph Node Era. Joint International Oncology Congress. San Francisco, CA. May 27-29, 2013.

7. Gerald Dodd Lecture: The Rise and Fall of Lymphadenectomy for Breast Cancer. Society of Breast Imaging 11<sup>th</sup> Postgraduate Course. Los Angeles, CA. April 7, 2013.
8. 44<sup>th</sup> Annual Ben Park Lecture: The Rise and Fall of Lymphadenectomy for Breast Cancer. New York, NY. March 18, 2013.
9. James Ewing Lecture: The Rise and Fall of Lymphadenectomy for Breast Cancer. Society of Surgical Oncology 66<sup>th</sup> Annual Cancer Symposium. National Harbor, MD. March 6-9, 2013.
10. Keynote Lecture: History of Sentinel Lymph Node Biopsy: A Personal Perspective on Clinical Research. Royal Australasian College of Surgeons 81<sup>st</sup> Annual Scientific Congress. Kuala Lumpur, Malaysia. May 6-10, 2012.
11. Inaugural Address: Role of lymphadenectomy in breast cancer patients with a positive sentinel node. I Congress of the Spanish Association of Breast Surgeons. San Sebastian, Spain. February 29 – March 5, 2012.
12. Visiting Professor - Sentinel Lymph Node Dissection in Breast Cancer; A Personal Perspective on Clinical Research. Breast Oncology Seminar Series. Dana Farber Cancer Institute. Boston, Massachusetts. January 11, 2012.
13. Susan G. Komen for the Cure<sup>®</sup> Brinker Award for Scientific Distinction Lecture: Evolution of Axillary Surgery for Breast Cancer: A Personal Perspective. San Antonio Breast Cancer Symposium. San Antonio, Texas. December 6-10, 2011.
14. BJS Lecture: How Sentinel Node Biopsy has Changed Breast Cancer Management: A Personal Perspective. BASO ~ The Association for Cancer Surgery Scientific Conference. London, England. November 7-8, 2011.
15. Lynn Sage Distinguished Lecturer: Evolution from Concept to Standard of Care: A Personal Perspective on SLND for Breast Cancer. 13<sup>th</sup> Annual Lynn Sage Breast Cancer Symposium. Chicago, Illinois. September 14-18, 2011.
16. Visiting Professor - History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer: A Personal Perspective on Clinical Research. Breast Cancer Symposium. Shantou University Medical College, People's Republic of China. April 20, 2011.
17. Glenn-Robbins Award Lecture - History and New Advances of Sentinel Node Biopsy in Breast Cancer: A Personal Perspective on Clinical Research. New York, New York. April 12, 2011.

18. Keynote Lecture – History and Current Status of Sentinel Lymph Node Biopsy in Breast Cancer: A Personal Perspective on Clinical Research. 16<sup>th</sup> Annual Multidisciplinary Symposium on Breast Disease. Amelia Island, Florida. February 10-12, 2011.
19. Keynote Speaker: Sentinel Lymph Node Biopsy in Breast Cancer. 7<sup>th</sup> International Sentinel Node Society Meeting. Yokohama, Japan. November 18-20, 2010.
20. Keynote Address: History and Current Status of SLND in Breast Cancer, A Personal Perspective on Clinical Research. VIII World Congress of Surgical Oncology. Rio de Janeiro, Brazil. December 3-5, 2009.
21. Annual Jeanne Petrek Memorial Lecture: The Conundrum of Micrometastases in Breast Cancer. Memorial Sloan-Kettering Cancer Center. New York, New York. April 6, 2009.
22. Annual Harold Cheek Breast Lectureship: History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective in Clinical Research. Baylor University Medical Center of Dallas, Texas. January 14, 2009.
23. Keynote Address: History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective on Clinical Research. 4th Inter-American Breast Cancer Conference. Cancun, Mexico. July 23-29, 2008.
24. Third Annual William W. Coon, M.D., Lectureship in Surgical Oncology. History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer: A Personal Perspective on Clinical Research. University of Michigan Health System. Ann Arbor, Michigan. June 13, 2008.
25. Keynote Speaker: History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective on Clinical Research. American Radium Society 90<sup>th</sup> Annual Meeting. Laguna Niguel, California. May 6-7, 2008.
26. Visiting Professor - History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective. Department of Surgery Grand Rounds. Oregon Health & Science University. Portland, Oregon. January 22, 2007.
27. Oliver Cope Lecturer – History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective. Massachusetts General Hospital – Harvard Medical School, Boston, Massachusetts; November 3-4, 2005.

28. Keynote Lecture: History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective on Clinical Research. Eurocancer 2005. Paris, France. June 21-23, 2005.
29. Helen Rollason Memorial Lecture: Current Status of Sentinel Node Biopsy in the United States. Harrogate, North Yorkshire, UK; April 28, 2004.
30. Keynote Speaker: Significance of Sentinel Lymph Node Micrometastases. UCSF Postgraduate Course in General Surgery. San Francisco, California. March 25-27, 2004.
31. Visiting Professor – National University of Cordoba. Current Status of Sentinel Node Biopsy. The Uncertain Significance of Sentinel Node Micrometastases in Breast Cancer. Clinical Trials of American College of Surgeons Oncology Group. Cordoba, Argentina; October 3-4, 2003.
32. Guest Professorship – Alexander Fleming Institute. State of the Art in Sentinel Node Biopsy for Breast Cancer Treatment. Conflicting Situations with Sentinel Node Biopsy. Sentinel Node in Breast Cancer Symposium. Buenos Aires, Argentina; June 29, 2001.
33. Guest Professorship – European Institute of Oncology. Blue Dye Technique for Sentinel Node Biopsy. OECl Scientific Meeting and General Assembly. Milan, Italy; June 9-10, 2001.
34. Gerald D. Dodd Lecture: Advances in the Surgical Management of Breast Cancer. Society of Breast Imaging 5<sup>th</sup> Postgraduate Course. San Diego, CA; May 18, 2001.
35. George E. Block Annual Lectureship: The Sentinel Node in Breast Cancer. University of Chicago. Chicago, Illinois; May 5, 2000.
36. Dr. Eva Singletary Visiting Professor of Surgery. Current Status of Sentinel Lymph Node Dissection in Breast Cancer. University of Texas, MD Anderson Cancer Center, Houston, Texas; November 18-19, 1999.
37. Dr. Jacob G. Probststein Visiting Professor of Surgery. Current Status of Sentinel Lymph Node Dissection in Breast Cancer. Washington University, St. Louis, Missouri; June 4, 1999.
38. Keynote Speaker. Sentinel Lymph Node Biopsy in Breast Cancer. University of Chicago, Section of General Surgery 4th Annual Symposium: Strategies for the Management of Benign, Premalignant and Malignant Disease. Chicago, Illinois; May 1, 1998.

39. The Second Annual Bernard Fisher, M.D. Lectureship: Sentinel Lymph Node Biopsy: A Scientific Approach for Clinical Practice That Mandates Change. Current Concepts and Controversies in the Treatment of Primary Breast Cancer: Pittsburgh, Pennsylvania; October 11, 1996.

**LICENSURE**

1974 California State Board of Medical Examiners

**BOARD CERTIFICATION**

2009 Recertified American Board of Surgery

1999 Recertified American Board of Surgery

1991 Recertified American Board of Surgery

1981 American Board of Surgery

**HOSPITAL COMMITTEES**

2013-present Cedars-Sinai Cancer Center Support Grant Executive Committee

2013-present Cedars-Sinai Medical Policy Committee

2012-present Cedars-Sinai Samuel Oschin Comprehensive Cancer Institute Protocol Prioritization Committee

2011-present Cedars-Sinai Department of Surgery Executive Committee

2011-present Cedars-Sinai Department of Surgery Performance Improvement Committee

1991-2011 Saint John's Surgery Committee

1994-2000 Saint John's Cancer Committee

1997-1998 Chair, General Surgery, Department of Surgery Section

1997-1998 Vice-Chair, Saint John's Surgery Committee

1994-1996 Chair, Cancer Committee

1993 Saint John's Credentials Committee

## UNIVERSITY COMMITTEES

1991	Administrative Council
1990-1991	Chair, Department of Surgery Practice Plan Committee
1990-1991	Department of Surgery Executive Committee
1987-1991	Medical School Promotion Committee
1987-1991	Medical School Education Policy and Curriculum Committee
1986-1991	Tissue Committee
1986-1991	Longmire Medal Committee
1985-1991	General Surgery Resident Selection Committee
1985-1991	Chairman, UCLA Department of Surgery Curriculum Committee
1985-1991	Chairman, UCLA Department of Surgery Third Year Medical Student Surgery Course
1989	Medical Education Research and Instructional Center Advisory Committee
1988	Department of Surgery Resources Committee
1988	Primary Care Task Force
1987-1988	Ad-Hoc Academic Senate Promotion Review Committees
1985-1988	Department of Surgery Executive Committee
1985	Department of Surgery Chairman's Committee
1982-1984	Department of Surgery Quality Assurance/Peer Review Committee Chairman

## PROFESSIONAL COMMITTEES AND OFFICES

2014	Council Representative, American College of Surgeons Board of Governors Pacific Coast Surgical Association
2013-present	Chair, Membership Committee Society of Surgical Oncology
2013-present	Secretary Society of Surgical Oncology
2013-14	SSO/ASTRO National Consensus Panel for Surgical Margins
2012-present	Member, Board of Directors James Ewing Foundation, Society of Surgical Oncology
2011-present	Member, Breast Committee Alliance Cooperative Group
2011-2013	President International Sentinel Node Society
10/2009-present	Member, Board of Persian American Cancer Institute (PACI)
2007-present	Member, American Society of Breast Disease Consensus Committee
2003-present	Co-Chairman, Lymphatic Mapping Committee American Society of Clinical Oncology
1993-present	National Professional Advisory Board Cancer Support Community – Benjamin Center (formerly known as The Wellness Community)
2011-6/2012	Member, Breast Fellowship Program Directors Subcommittee, Society of Surgical Oncology
2003-2011	Chairman, Breast Fellowship Program Directors Committee Society of Surgical Oncology
2006-2008	Vice-President International Sentinel Node Society
1999-2007	Chair, Clinical Congress Postgraduate Course American College of Surgeons

2002-2006	Member, Executive Council and Nominating Committee International Sentinel Node Society
2005	Consultant, Center for Drug Evaluation and Research, Food and Drug Administration
2005	Member, Oncologic Drugs Advisory Committee, Food and Drug Administration
2003-2005	Member, Southern California Academy of Clinical Oncology (SCACO) Program Committee
2001-2004	Member, Board of Directors American Society of Breast Surgeons
2000-2004	Vice Chair, Committee on Medical Motion Pictures American College of Surgeons
1997-2004	Executive Committee of the Committee on Medical Motion Pictures American College of Surgeons
1998-2003	Executive Committee American College of Surgeons – Oncology Group
1998-2003	Chair, Breast Organ Site Committee American College of Surgeons – Oncology Group
2000-2002	Honorary Secretary World Federation of Surgical Oncology Societies
2001	Scientific Director Philadelphia Consensus Conference
1993-2001	General Surgery Panel American Medico-Legal Foundation
1999-2000	Chairman, Program Committee Western Surgical Association
1997-2000	Program Committee Western Surgical Association
1993-2000	American Cancer Society Coastal Cities Unit Board of Directors

1996-1999	Executive Council Society of Surgical Oncology
1989-1999	American College of Surgeons - Commission on Cancer
1988-1998	American College of Surgeons - Committee on Applicants
1994-1997	Member, Committee on Medical Motion Pictures American College of Surgeons
1992-1996	Executive Board, Bay Surgical Society
1990-1995	Committee on Education - Commission on Cancer
1989-1995	American College of Surgeons - Committee on Surgical Education in Medical Schools
1993-1995	Editorial Board Breast Surgery Index & Reviews
1993-1994	Vice-Chairman, Committee on Cancer Liaison Commission on Cancer
1993	Co-Chairman, Clinical Congress Postgraduate Course American College of Surgeons
1993	Chairman, Education Committee Society of Surgical Oncology
1992-1993	Local Arrangements Committee of the Society of Surgical Oncology
1992-1993	Co-Chairman, Education Committee Society of Surgical Oncology
1990-1992	General Surgery Technical Expert Panel Harvard School of Public Health
1992	Examiner, American Board of Surgery
1991-1992	President, Bay Surgical Society
1988-1991	Council of Academic Societies - Association of American Medical Colleges - Representative for the Society of University Surgeons
1990-1991	Vice President, Bay Surgical Society

1989-1990	Secretary, Bay Surgical Society
1989	Program Chairman, Society of University Surgeons
1988-1989	Program Chairman, Bay Surgical Society
1987-1989	American Radium Society Young Oncologists Award Committee
1986-1988	American College Radiology National Symposium on Breast Cancer Planning Committee
1985	American Radium Society Program Committee

## **EDITORIAL POSITIONS**

2013	<i>8<sup>th</sup> Edition AJCC Cancer Staging Manual</i> Co-Chair, Breast Expert Panel for the Editorial Board
1998-2008	<i>Annals of Surgical Oncology</i> Lippincott Williams & Wilkins
2003-2008	<i>Journal of the American College of Surgeons</i> American College of Surgeons
1999-2007	<i>Journal of Women's Imaging</i> Lippincott Williams & Wilkins
1998-2007	<i>Seminars in Breast Disease: Radiologic, Pathologic, and Surgical Considerations</i> W.B. Saunders Company
1999-2006	<i>Breast Cancer Online</i> Advisory Board
1998-2005	<i>Breast Diseases: A Year Book Quarterly</i> Mosby-Year Book, Inc.

  305. Approach to the Patient with a Breast Lump. UCLA's Office Gynecology/ Women's Health for Primary Care" Conference. Anaheim, California. July 27-30, 2006.
  306. Chair and Moderator – Lymphatic Mapping and the Significance of Sentinel Node Biopsy Post-Graduate Course. American College of Surgeons Annual Meeting. Chicago, Illinois. October 8-12, 2006.
  307. Analysis of Sentinel Node and Clinical Significance of Micrometastases in Breast Cancer. Lymphatic Mapping and the Significance of Sentinel Node Biopsy Post-Graduate Course. American College of Surgeons Annual Meeting. Chicago, Illinois. October 8-12, 2006.
  308. Commentary on 2005 International Consensus Conference: Image-Detected Breast Cancer. Image-Detected Breast Cancer: State-of-the-Art Diagnosis and Treatment Postgraduate Course. American College of Surgeons Annual Meeting. Chicago, Illinois. October 8-12, 2006.
  309. Chair, Breast: Extension of Clinical Indications. 5th International Sentinel Node Society Meeting. Rome, Italy. November 1-4, 2006.
  310. Intraoperative SNB Analysis and Clinical Management on Breast Cancer. 5th International Sentinel Node Society Meeting. Rome, Italy. November 1-4, 2006.
  311. Co-Chair, Clinical Strategies: Which Node Dissection after Positive Sentinel Node? 5th International Sentinel Node Society Meeting. Rome, Italy. November 1-4, 2006.

312. Surgery after Micrometastases and Chair, Breast. 5th International Sentinel Node Society Meeting. Rome, Italy. November 1-4, 2006.
313. Is ALND Necessary for a Positive Sentinel Node? 5th International Sentinel Node Society Meeting. Rome, Italy. November 1-4, 2006.
314. ACOSOG Breast Trials. 5th International Sentinel Node Society Meeting. Rome, Italy. November 1-4, 2006.
315. Visiting Professor. History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective. Department of Surgery Grand Rounds. Oregon Health & Science University. Portland, Oregon. January 22, 2007.
316. Clinical Significance of Micrometastases in Breast Cancer. American Society of Breast Surgeons 8<sup>th</sup> Annual Meeting. Phoenix, Arizona. May 4, 2007.
317. Work-up of the Breast Lump. 34<sup>th</sup> Annual UCLA Family Practice Refresher Course. Los Angeles, CA. May 29-June 2, 2007.
318. Sentinel Node Biopsy. Breast Cancer: Current Controversies and New Horizons. Boston, Massachusetts. July 12-14, 2007.
319. Panelist: New Horizons in Breast Cancer. Breast Cancer: Current Controversies and New Horizons. Boston, Massachusetts. July 12-14, 2007.
320. Program Director, 59<sup>th</sup> Postgraduate Assembly “Breast Cancer 2007: What’s New.” History of Sentinel Node Biopsy and Current Status. Santa Monica, California. September 8, 2007.
321. Unresolved Issues in Sentinel Node Biopsy. 9<sup>th</sup> Annual Lynn Sage Breast Cancer Symposium. Chicago, Illinois. September 27-30, 2007.
322. Debate: Micrometastasis in the Sentinel Lymph Node: Axillary Lymphadenectomy Should be Completed: Con. ACOSOG Trials to Address Controversies in Breast and Colon Surgery. American College of Surgeons 93<sup>rd</sup> Annual Clinical Congress. New Orleans, Louisiana. October 6-11, 2007.
323. Chair and Moderator: Lymphatic Mapping and the Significance of Sentinel Node Biopsy Postgraduate Course. American College of Surgeons 93<sup>rd</sup> Annual Clinical Congress. New Orleans, Louisiana. October 6-11, 2007.

324. Analysis of Sentinel Node and Clinical Significance of Micrometastases in Breast Cancer. Lymphatic Mapping and the Significance of Sentinel Node Biopsy. American College of Surgeons 93<sup>rd</sup> Annual Clinical Congress. New Orleans, Louisiana. October 6-11, 2007.
325. Panelist: Fighting Breast Cancer Here and Now – An Evening Dedicated to Women’s Health. Bikur Cholim. Los Angeles, California. October 24, 2007.
326. Moderator: General Session V. San Antonio Breast Cancer Symposium. San Antonio, Texas. December 13-16, 2007.
327. Personalized Surgical Therapy and Future Directions. 1<sup>st</sup> Annual North American Symposium on Personalized Therapies for Breast Cancer. Miami, Florida. January 18-20, 2008.
328. Trial Reports: Z0010 and Z0011. 6<sup>th</sup> Biennial International Sentinel Node Society Meeting. Sydney, Australia. February 18-20, 2008.
329. Interesting Cases: Breast. 6<sup>th</sup> Biennial International Sentinel Node Society Meeting. Sydney, Australia. February 18-20, 2008.
330. Micrometastases in Breast Cancer and the Possible Role of Stem Cells. The Role of Cancer Stem Cells in Cancer Metastasis. Sentinel Node Oncology Foundation Symposium. Chicago, Illinois. March 12, 2008.
331. Clinical Significance of Lymph Node Metastases in Breast Cancer. Clinical Applications of Sentinel Node Biopsy. American Society of Breast Disease 32<sup>nd</sup> Annual Symposium. San Diego, California. April 11-12, 2008.
332. Debate: Pro – Sentinel Node Biopsy before Neoadjuvant Therapy. Clinical Applications of Sentinel Node Biopsy. American Society of Breast Disease 32<sup>nd</sup> Annual Symposium. San Diego, California. April 11-12, 2008.
333. The Conundrum of Micrometastases and the Potential Role of Cancer Stem Cells. John Wayne Cancer Institute Research Conference. Santa Monica, CA. April 16, 2008.
332. Keynote Speaker: History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective on Clinical Research. American Radium Society 90<sup>th</sup> Annual Meeting. Laguna Niguel, California. May 6-7, 2008.
333. Coon Lectureship: History and Current Status of Sentinel Lymph Node Dissection – A Personal Perspective. University of Michigan Health System. University of Michigan. Ann Arbor, Michigan. June 13, 2008.

334. Keynote Address: History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective on Clinical Research. 4<sup>th</sup> Inter-American Breast Cancer Conference. Cancun, Mexico. July 23-29, 2008.
335. Approach to the Patient with a Breast Lump. UCLA's Office Gynecology/Women's Health for Primary Care Conference. Anaheim, CA. August 14-17, 2008.
336. History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective in Clinical Research. Sysmex Corporation. Kobe, Japan. September 25, 2008.
337. Sentinel Node Biopsy and the Clinical Significance of Micrometastases in Breast Cancer. 16<sup>th</sup> Annual Meeting of the Japanese Breast Cancer Society. Osaka, Japan. September 26-27, 2008.
338. History & Current Status of SLND in Br Ca – A Personal Perspective in Clinical Research. 16<sup>th</sup> Annual Meeting of the Japanese Breast Cancer Society. Osaka, Japan. September 26-27, 2008.
339. Evaluation of and the Possible Role of Stem Cells in the Sentinel Lymph Node. Management of the Axilla in Breast Cancer: Another Moving Target. American College of Surgeons 94<sup>th</sup> Annual Clinical Congress. San Francisco, California. October 12-16, 2008.
340. The Conundrum of Sentinel Node Micrometastases. 10<sup>th</sup> Annual Lynn Sage Breast Cancer Symposium. Chicago, Illinois. October 23-26, 2008.
341. Annual Harold Cheek Breast Lectureship: History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective in Clinical Research. Baylor University Medical Center of Dallas, Texas. January 14, 2009.
342. Moderator, Scientific Session II. Pacific Coast Surgical Association 80<sup>th</sup> Annual Meeting. San Francisco, California. February 13-16, 2009.
343. Sentinel Node Biopsy: From Discovery to Today. 26<sup>th</sup> Annual Miami Breast Cancer Conference. Miami, Florida. March 4-7, 2009.
344. Clinical Applications of Isolated Tumor Cells and Micrometastases. 26<sup>th</sup> Annual Miami Breast Cancer Conference. Miami, Florida. March 4-7, 2009.

345. Management of the Axillary Lymph Nodes in Breast Cancer. Society of Surgical Oncology 62<sup>nd</sup> Annual Cancer Symposium. Phoenix, Arizona. March 4-8, 2009.
346. Annual Jeanne Petrek Memorial Lecture: The Conundrum of Micrometastases in Breast Cancer. Memorial Sloan-Kettering Cancer Center. New York, New York. April 6, 2009.
347. Early Lessons from ACOSOG Z0010 and Z0011. Memorial Sloan-Kettering Cancer Center. New York, New York. April 7, 2009.
348. History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective on Clinical Research. Surgery Grand Rounds. University of California, Los Angeles. Los Angeles, California. May 6, 2009.
349. History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer – A Personal Perspective on Clinical Research. Swiss Course on Cancer Surgery. Basel, Switzerland. May 14-15, 2009.
350. Micrometastases and Stem Cells in Breast Cancer. John Wayne Cancer Institute Breast and Endocrine Meeting. Santa Monica, California. May 26, 2009.
351. Work-up of the Breast Lump. 36<sup>th</sup> Annual UCLA Family Practice Refresher Course. Los Angeles, California. May 26-30, 2009.
352. Starting Your Own Breast Center and Contributing to Research. Surgical Breast Oncology Fellows Program. Cincinnati, Ohio. August 25-27, 2009.
353. Debate – Oncoplastic Surgery: Con Position. 11<sup>th</sup> Annual Lynn Sage Breast Cancer Symposium. Chicago, Illinois. October 1-4, 2009.
354. Wasif N, Maggard MA, Ko CY, Giuliano AE. Invasive lobular vs. ductal breast cancer: a stage-matched comparison of outcomes. Poster presentation, ASCO Breast Cancer Symposium, San Francisco, CA, October 8-10, 2009.
355. Ray PK, Wang J, Qu Y, Sim MS, Shamonki J, Liu B, Elashoff D, Hoon DSB, Giuliano AE, Cui X. Diagnostic and prognostic significance of FOXC1 in basal-like triple-negative breast cancer. Poster presentation, ASCO Breast Cancer Symposium, San Francisco, CA, October 8-10, 2009.
356. Bagaria SP, Shamonki J, Ray PK, Giuliano AE. Florid lobular carcinoma in situ – precursor lesion for invasive lobular carcinoma? Poster

presentation, ASCO Breast Cancer Symposium, San Francisco, CA, October 8-10, 2009.

357. Bagaria SP, Shamonki J, Ray PK, Giuliano AE. Prognostic significance of florid lobular carcinoma in situ when it accompanies patients with invasive lobular carcinoma of the breast: preliminary report. Poster presentation, ASCO Breast Cancer Symposium, San Francisco, CA, October 8-10, 2009.
358. Keynote Address: History and Current Status of SLND in Breast Cancer – A Personal Perspective on Clinical Research. VIII World Congress of Surgical Oncology. Rio de Janeiro, Brazil. December 3-5, 2009.
359. Micrometastases in Sentinel Lymph Node – What to do? VIII World Congress of Surgical Oncology. Rio de Janeiro, Brazil. December 3-5, 2009.
360. Use Pre- and Intra-Operative Data To Predict Probability of Positive Non-Sentinel Lymph Nodes. 32nd Annual San Antonio Breast Cancer Symposium. San Antonio, Texas. December 9 - 13, 2009.
361. Nipple-Sparing Mastectomy (NSM) Evolution of a Technique. 81<sup>st</sup> Annual Meeting of the Pacific Coast Surgical Association. Maui, Hawaii. February 13-17, 2010.
362. Primary Discussant: Impact of Chemotherapy on Postoperative Complications after Mastectomy and Immediate Breast Reconstruction. 81<sup>st</sup> Annual Meeting of the Pacific Coast Surgical Association. Maui, Hawaii. February 13-16, 2010.
363. Debate – Sentinel Lymph Node Biopsy Should be Performed Prior to Neoadjuvant Chemotherapy in Breast Cancer. Society of Surgical Oncology 63<sup>rd</sup> Annual Cancer Symposium. St. Louis, Missouri. March 3-7, 2010.
364. Management of Pregnant Women with Breast Cancer – Epidemiology and Local Therapy. Society of Surgical Oncology 63<sup>rd</sup> Annual Cancer Symposium. St. Louis, Missouri. March 3-7, 2010.
365. Local and Regional Control in Breast Cancer after Sentinel Node Biopsy without Axillary Lymph Node Dissection: Results from a Randomized Trial. American Surgical Association 130<sup>th</sup> Annual Meeting. Chicago, Illinois. April 8-10, 2010.
366. Kropcho LC, Steen ST, Chung AP, Sim MS, Giuliano AE. Utilization of Breast MRI in the Surgical Treatment of DCIS. (Recipient - Breast Journal Award) 34<sup>th</sup> Annual Symposium of the American Society of Breast Diseases. New York, New York. April 16-17, 2010.

367. Prognostic Relevance of Micrometastases and Isolated Tumor Cells. 11<sup>th</sup> Annual Meeting of the American Society of Breast Surgeons. Las Vegas, Nevada. April 29 - May 1, 2010.
368. Approach to the Patient with a Breast Lump. 37<sup>th</sup> Annual UCLA Family Practice Refresher Course. Los Angeles, California. May 24-28, 2010.
369. ACOSOG Z0011: A Randomized Trial of Axillary Lymph Node Dissection in Women with Clinical T1-2 N0 M0 Breast Cancer who have a Positive Sentinel Node. Breast Cancer Local-Regional and Adjuvant Therapy. ASCO Annual Meeting. Chicago, IL. June 4-8, 2010.
370. ACOSOG Z0011: A Randomized Trial of Axillary Lymph Node Dissection in Women with Clinical T1-2 N0 M0 Breast Cancer who have a Positive Sentinel Node. John Wayne Cancer Institute Breast and Endocrine Meeting. Santa Monica, CA. June 22, 2010.
371. Persian American Cancer Institute (PACI) Cancer Awareness Day. Thyroid Cancer: The Fundamentals. Los Angeles, California. June 27, 2010.
372. History, Current Status, and Future Directions of Sentinel Lymph Node Dissection in Breast Cancer. 5<sup>th</sup> Inter-American Breast Cancer Conference. Cancun, Mexico. July 7-10, 2010.
373. Approach to the Patient with a Breast Lump. UCLA's Office Gynecology/Women's Health for Primary Care Course. Anaheim, California. August 5-8, 2010.
374. Early Lessons from ACOSOG Z0010 and Z0011. John Wayne Cancer Institute Research Conference. Santa Monica, California. September 8, 2010.
375. Results of ACOSOG Z0011/Z0011: Sentinel Node Biopsy and Micrometastases in Early Breast Cancer. American College of Surgeons 96<sup>th</sup> Annual Clinical Congress. Washington, DC. October 3-7, 2010.
376. Breast Cancer – Surgical Treatment. Saint John's Health Center "Women & Breast Health." Santa Monica, CA. October 19, 2010.
377. Keynote Speaker: Sentinel Lymph Node Biopsy in Breast Cancer. 7<sup>th</sup> International Sentinel Node Society Meeting. Yokohama, Japan. November 18-20, 2010.
378. Personalizing Local-Regional Breast Cancer Therapies – How Have We Advanced Our Strategies to Improve Outcomes in the Clinic Today. 4th

- Annual Symposium on Personalized Therapies and Best Clinical Practices for Breast Cancer. La Jolla, California. January 22, 2011.
379. John Wayne Cancer Institute. Breast Cancer Coordinated Care (BC<sup>3</sup>) Conference. Washington, DC. February 2-4, 2011.
  380. Pros and Cons: Sentinel Node Excision with Prophylactic Mastectomy. Breast Cancer Coordinated Care (BC<sup>3</sup>) Conference. Washington, DC. February 2-4, 2011.
  381. Keynote Lecture – History and Current Status of Sentinel Lymph Node Biopsy in Breast Cancer: A Personal Perspective on Clinical Research. 16<sup>th</sup> Annual Multidisciplinary Symposium on Breast Disease. Amelia Island, Florida. February 10-12, 2011.
  382. Results of ACOSOG Z0010/Z0011 – Micrometastases and axillary dissection. Society of Surgical Oncology 64<sup>th</sup> Annual Cancer Symposium. San Antonio, Texas. March 3-6, 2011.
  383. Glenn-Robbins Award Lecture - History and New Advances of Sentinel Node Biopsy in Breast Cancer: A Personal Perspective on Clinical Research. New York, New York. April 12, 2011.
  384. History and New Advances of Sentinel Node Biopsy in Breast Cancer: A Personal Perspective on Clinical Research. Breast Cancer Sentinel Lymph Node Symposium. Chongqing, Sichuan Province, People's Republic of China. April 15, 2011.
  385. Visiting Professor. History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer: A Personal Perspective on Clinical Research. Breast Cancer Symposium. Shantou, Guangdong Province, People's Republic of China. April 20, 2011.
  386. Results of the American College of Surgeons Oncology Group Z0011 Clinical Trial. Fourth International Symposium on Cancer Metastases and Lymphovascular System: Basis for Rational Therapy. New York, New York. May 11-14, 2011.
  387. The Conundrum of Micrometastases in Breast Cancer. Fourth International Symposium on Cancer Metastases and Lymphovascular System: Basis for Rational Therapy. New York, New York. May 11-14, 2011.
  388. Approach to the Patient with a Breast Lump. 38<sup>th</sup> Annual UCLA Family Practice Refresher Course. Los Angeles, California. May 24, 2011.

389. Overview and Evolution of Axillary Management: What to do with isolated tumor cells and when do you need to dissect the axilla? 2011 ASCO Annual Meeting. Chicago, Illinois. June 3-7, 2011.
390. Issues in Surgical Trials – ACOSOG Z0010 and Z0011. Cedars-Sinai Medical Center 2011 Clinical and Translation Research Workshop. Los Angeles, California. July 27, 2011.
391. Approach to the Patient with a Breast Lump. UCLA's Office Gynecology/Women's Health for Primary Care Course. Anaheim, California. August 11-14, 2011.
392. Visiting Professor at Henry Ford Hospital. History and New Advances in Sentinel Node Biopsy for Breast Cancer – A Personal Perspective on Clinical Research. Detroit, Michigan. September 6-7, 2011.
393. Introduction to ACOSOG Z0011: A Surgeon's Perspective. ASCO Breast Cancer Symposium. San Francisco, California. September 7-10, 2011.
394. Lynn Sage Distinguished Lecturer: Evolution from Concept to Standard of Care: A Personal Perspective on SLND for Breast Cancer. 13<sup>th</sup> Annual Lynn Sage Breast Cancer Symposium. Chicago, Illinois. September 14-18, 2011.
395. Thyroid Cancer – The Fundamentals. 4<sup>th</sup> Annual PACI Seminar. Los Angeles, California. October 9, 2011.
396. Moderator. Breast Disease Session. 97<sup>th</sup> Annual American College of Surgeons Clinical Congress. San Francisco, California. October 23-27, 2011.
397. Meet the Expert Luncheon. New Concepts in Breast Cancer. 97<sup>th</sup> Annual American College of Surgeons Clinical Congress. San Francisco, California. October 23-27, 2011.
398. Moderator. Breast Cancer Controversies. 97<sup>th</sup> Annual American College of Surgeons Clinical Congress. San Francisco, California. October 23-27, 2011.
399. How Sentinel Node Biopsy has changed Breast Cancer Management: A Personal Perspective. BASO ~ The Association for Cancer Surgery Scientific Conference. London, England. November 7-8, 2011.
400. Susan G. Komen for the Cure® Brinker Award for Scientific Distinction Lecture: Evolution of Axillary Surgery for Breast Cancer: A Personal Perspective. San Antonio Breast Cancer Symposium. San Antonio, Texas. December 6-10, 2011.

401. Visiting Professor. Sentinel Lymph Node Dissection in Breast Cancer: A Personal Perspective on Clinical Research. Breast Oncology Seminar Series. Dana Farber Cancer Institute. Boston, Massachusetts. January 11, 2012.
402. What's New in Breast Surgery – 2012? ACOSOG Z0011. American College of Surgeons Southern California Chapter. Santa Barbara, California. January 20-21, 2012.
403. History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer: A Personal Perspective on Clinical Research. 30<sup>th</sup> Annual Cowan Cancer Symposium. Salt Lake City, Utah. January 27-28, 2012.
404. Kapoor NS, Yoon JL, Sim MS, Giuliano AE. Survival and recurrence patterns of patients with tumor-free sentinel lymph nodes in long-term follow-up. Oral presentation, 83rd Annual Meeting of the Pacific Coast Surgical Association. Napa Valley, California. February 17–20, 2012.
405. Moderator. Endocrine Panel Session. 83rd Annual Meeting of the Pacific Coast Surgical Association. Napa Valley, California. February 17–20, 2012.
406. Inaugural Address: Role of lymphadenectomy in breast cancer patients with a positive sentinel node. I Congress of the Spanish Association of Breast Surgeons. San Sebastian, Spain. February 29 – March 5, 2012.
407. Triple Negative Breast Cancer: Implications in the Surgical Management and Genetic Testing. Molecular and Genetic Profiles in Breast Cancer Round Table. I Congress of the Spanish Association of Breast Surgeons. San Sebastian, Spain. February 29 – March 5, 2012.
408. Debate – Con Position: Margin Width Matters in Breast Conservation Surgery for Early Breast Cancer. Society of Surgical Oncology 65<sup>th</sup> Annual Cancer Symposium. Orlando, Florida. March 21-24, 2012.
409. Nipple-Sparing Mastectomy: Mainstream, but Not Yet Standard of Care. Kaiser Permanente 8th Annual National Surgical Symposium. Maui, Hawaii. April 19-21, 2012.
410. Axillary Dissection for Breast Cancer: Still Valid or of Historical Interest Only? Kaiser Permanente 8th Annual National Surgical Symposium. Maui, Hawaii. April 19-21, 2012.
411. Keynote Lecture: History of Sentinel Lymph Node Biopsy: A Personal Perspective on Clinical Research. Royal Australasian College of Surgeons 81<sup>st</sup> Annual Scientific Congress. Kuala Lumpur, Malaysia.

May 6-10, 2012.

412. Nipple-Sparing Mastectomy. Masterclass: "Risk Reducing Surgery." Royal Australasian College of Surgeons 81<sup>st</sup> Annual Scientific Congress. Kuala Lumpur, Malaysia. May 6-10, 2012.
413. Results of ACOSOG Sentinel Node Trials – Z0010 and Z0011. Evolving Concepts in Sentinel Lymph Node Biopsy. Royal Australasian College of Surgeons 81<sup>st</sup> Annual Scientific Congress. Kuala Lumpur, Malaysia. May 6-10, 2012.
414. Debate – PRO position. Intra-operative sentinel node analysis is a waste of operating time. Great Debates for Breast Surgeons. Royal Australasian College of Surgeons 81<sup>st</sup> Annual Scientific Congress. Kuala Lumpur, Malaysia. May 6-10, 2012.
415. Approach to the Patient with a Breast Mass. 39<sup>th</sup> Annual UCLA Family Medicine Refresher Course. Los Angeles, California. May 22, 2012.
416. History and Current Status of Sentinel Lymph Node Dissection in Breast Cancer: A Personal Perspective on Clinical Research. Hematology/Oncology Grand Rounds, Cedars-Sinai Medical Center. Los Angeles, California. July 10, 2012.
417. Evaluating the Axilla in Invasive and Non-Invasive Disease. Breast Cancer: New Horizons, Current Controversies. Dana Farber Cancer Institute. Boston, Massachusetts. July 12-14, 2012.
418. Approach to the Patient with a Breast Lump. UCLA's Office Gynecology/Women's Health for Primary Care Course. Anaheim, California. August 9-12, 2012.
419. When Can We Offer Our Patients Sentinel Node Biopsy Alone? Managing the Axilla in Breast Cancer. American College of Surgeons Annual Clinical Congress. Chicago, Illinois. September 30-October 4, 2012.
420. Indications for Axillary Lymph Node Dissection Following Positive Sentinel Node Biopsy. 29<sup>th</sup> Annual Controversies, Problems & Techniques in Surgery. Montefiore Medical Center. New York, NY. December 13-16, 2012.
421. The Rise and Fall of Lymphadenectomy for Cancer. Surgery Grand Rounds. Department of Surgery, Cedars-Sinai Medical Center. Los Angeles, CA. February 20, 2013.

422. Margin width and local recurrence – does it matter? Society of Surgical Oncology 66<sup>th</sup> Annual Cancer Symposium. National Harbor, MD. March 6-9, 2013.
423. James Ewing Lecture: The Rise and Fall of Lymphadenectomy for Breast Cancer. Society of Surgical Oncology 66<sup>th</sup> Annual Cancer Symposium. National Harbor, MD. March 6-9, 2013.
424. 44<sup>th</sup> Annual Benjamin S. Park, Jr., MD, Lecture: The Rise and Fall of Lymphadenectomy for Breast Cancer. Weill Cornell Medical College. New York, NY. March 18, 2013.
425. Gerald Dodd Lecture: The Rise and Fall of Lymphadenectomy for Breast Cancer. Society of Breast Imaging 11th Postgraduate Course. Los Angeles, CA. April 7, 2013.
426. Axilla: ALND to Z0011 and Beyond. American Society of Breast Surgeons 14<sup>th</sup> Annual Meeting. Chicago, IL. May 1-5, 2013.
427. Less is More: Contemporary Management of Breast Cancer. Cedars-Sinai Medical Center Board of Governors. Los Angeles, CA. May 7, 2013.
428. Neoadjuvant Therapy as a Model for Breast Cancer Translational Research. Cedars-Sinai Medical Center Cancer Research Forum. Los Angeles, CA. May 22, 2013.
429. Donald L. Morton Surgical Oncology Lecture: Surgical Management of Early Breast Cancer in the Sentinel Lymph Node Era. Joint International Oncology Congress. San Francisco, CA. May 27-29, 2013.
430. Inaugural Address: The Rise and Fall of Lymphadenectomy for Breast Cancer. Comprehensive Breast Diagnostic Center of Shaare Zedek Medical Center Breast Cancer Symposium. Jerusalem, Israel. July 21, 2013.
431. Nipple-Sparing Mastectomy: Mainstream, But Not Yet Standard of Care. Shaare Zedek Medical Center Breast Cancer Symposium. Jerusalem, Israel. July 21, 2013.
432. Approach to the Patient with a Breast Lump. UCLA Office Gynecology/Women's Health for Primary Care. Anaheim, CA. August 4, 2013.
433. Nipple-sparing Mastectomy. 15<sup>th</sup> Annual Lynn Sage Breast Cancer Symposium. Chicago, IL. September 26-29, 2013.

434. Approach to the Patient with a Breast Mass. Cedars-Sinai Medical Center Department of Surgery Medical Student Program Lecture. Los Angeles, CA. October 11, 2013.
435. Keynote Lecture: Current Concepts in the Management of Breast Cancer. Breast Cancer Awareness, City of West Hollywood. West Hollywood, CA. October 24, 2013.
436. The Rise and Fall of Lymphadenectomy. 9<sup>th</sup> Sao Paulo Mastology Conference. Sao Paulo, Brazil. November 21-23, 2013.
437. Nipple-Sparing Mastectomy: A Personal Perspective. 9<sup>th</sup> Sao Paulo Mastology Conference. Sao Paulo, Brazil. November 21-23, 2013.
438. Master Lecture: Should ACOSOG Z0011 change practice with respect to axillary lymph node dissection for a positive sentinel lymph node biopsy in breast cancer? Oncoplastic and Reconstructive Surgery of the Breast, 7<sup>th</sup> European Conference. Milan, Italy. December 4-7, 2013.
439. Nipple-Sparing Mastectomy: A Personal Perspective. Oncoplastic and Reconstructive Surgery of the Breast, 7<sup>th</sup> European Conference. Milan, Italy. December 4-7, 2013.
440. Management of the Axilla in the Post-Z0011 Era. Southern California Chapter of the American College of Surgeons 2014 Annual Scientific Meeting. Santa Barbara, California. January 17-19, 2014.
441. Approach to the Patient with a Breast Mass. Cedars-Sinai Medical Center Department of Surgery Medical Student Program Lecture. Los Angeles, CA. January 31, 2014.
442. Molecular Subtypes and Extent of Resection: Personalizing Breast Cancer Surgery. Fifth Course of Breast Cancer Surgery: Personalizing Breast Cancer Surgery in the Molecular Biology Era. Barcelona, Spain. February 12-14, 2014.
443. Current Management of the Axilla in Breast Cancer. Fifth Course of Breast Cancer Surgery: Personalizing Breast Cancer Surgery in the Molecular Biology Era. Barcelona, Spain. February 12-14, 2014.
444. Moderator – Special Surgical Challenges in the Management of Breast Cancer. Breast Cancer Coordinated Care (BC3) 2014 Conference. Washington, DC. February 20-22, 2014.
445. Lessons Learned in Reducing Complications with Nipple-Sparing Mastectomy. Breast Cancer Coordinated Care (BC3) 2014 Conference. Washington, DC. February 20-22, 2014.

446. Managing the Positive Margin after Therapeutic Nipple-Sparing Mastectomy. Breast Cancer Coordinated Care (BC3) 2014 Conference. Washington, DC. February 20-22, 2014.
447. Lape Lecture: The Rise and Fall of Lymphadenectomy for Breast Cancer. Lape Lecture, Penn State Hershey. Hershey, Pennsylvania. April 17, 2014.
448. Debate: PRO - Axillary Dissection: RIP. American Society of Breast Surgeons 15<sup>th</sup> Annual Meeting. Las Vegas, Nevada. April 30-May 4, 2014.
449. Margins: SSO/ASTRO/USCAP Update. American Society of Breast Surgeons 15<sup>th</sup> Annual Meeting. Las Vegas, Nevada. April 30-May 4, 2014.
450. Keynote Address: Lymphadenectomy for Breast Cancer: Past, Present, and Future. American Society of Breast Surgeons 15<sup>th</sup> Annual Meeting. Las Vegas, Nevada. April 30-May 4, 2014.
451. Inaugural Address: Management of Regional Lymph Nodes in Breast Cancer: Past, Present, and Future. Maryland Breast Cancer Consortium. Baltimore, Maryland. May 12, 2014.
452. Approach to the Patient with a Breast Lump. 41st Annual UCLA Family Practice Refresher Course. Los Angeles, California. May 22, 2014.
453. Approach to the Patient with a Breast Mass. Cedars-Sinai Medical Center Department of Surgery Medical Student Program Lecture. Los Angeles, CA. June 13, 2014.
454. Approach to the Patient with a Breast Mass. General Surgery Residency Basic Science Curriculum. Los Angeles, CA. July 23, 2014.
